

**IBCH PAS RECRUITMENT PROCEDURE NO. 3/2021/SN
FOR THE POSITION OF A RESEARCH ASSISTANT PROFESSOR**

INSTITUTION: Institute of Bioorganic Chemistry, PAS
Department of RNA Biochemistry
CITY: Poznań
POSITION: Assistant professor
POSITIONS AVAILABLE: 1
SCIENTIFIC DISCIPLINE: biochemistry
PUBLICATION DATE: 01.02.2021 r.
APPLICATION DEADLINE: 01.03.2021 r.
WEBSITE: <https://portal.ichb.pl/en>

KEY WORDS: RNA viruses, p53 protein, host-virus interactions, RNA structure-function relationship

I. Requirements for the candidate:

1. PhD in biology, chemistry or related life sciences.
2. Experience in the probing of RNA secondary structure with biochemical methods and skills to model RNA secondary structure with bioinformatic methods.
3. Experience in protein detection by Western blot method.
4. Experience in working with viruses at BSL2 security level.
5. Knowledge of the technique of RNA-protein affinity chromatography.
6. Knowledge of methods of studying RNA-protein interactions and the ability to predict these interactions with bioinformatics methods.
7. Ability to perform cell culture and transfect human cell lines.
8. Excellent interpersonal skills, motivation and the ability to work independently in a research team.
9. Experience in managing PhD program.
10. Very good command of spoken and written English.

II. Job responsibilities:

1. Studies on topics related to the importance of p53 protein isoforms for RNA virus-host cell interactions.
2. Contribution in writing publications and research projects.
3. Participation in other studies carried out at the Department of RNA Biochemistry.
4. Apart from research activities, the Candidate will be the head of the doctoral school and doctoral program in IBCH PAS.

III. Application must comprise:

1. Letter of application to the Director of IBCH PAS with a declaration that the Institute will be the candidate's primary place of work and consent to be counted in "N" figure of the Institute (each researcher in Poland must submit a declaration to be within "N" figure accounted to a selected research unit).
2. CV
3. Motivation letter with a brief description of research experience.
4. A copy of the PhD diploma.
5. Information on academic achievements, including:
 - a) list of publications with a number of citations excluding self-citations and H-index,

- b) list of inventions, patents and implementations,
 - c) previously realized and/or led projects,
 - d) teaching experience.
6. Two letters of recommendation, at least one from a direct supervisor.

IV. Applications should be submitted via the eRecruiter portal:

<https://system.erecruiter.pl/FormTemplates/RecruitmentForm.aspx?WebID=4be8bf291bc7455da4862158d5c7226b>

V. The deadline for submitting the application is **March 1th, 2021**.

VI. During the recruitment procedure selected candidates may be invited to an interview (personally or remotely).

VII. The recruitment procedure shall be concluded no later than **March 31st, 2021**.

VIII. Employment shall take place in compliance with the provisions of the Labor Code of Poland.

IX. We offer:

- The position is paid from the ICHB PAN's own funds.
- Preferred start date: immediately after the contest is adjudicated.
- Remuneration according to the rates of ICHB PAN.

For additional information is provided by the Deputy Director for Research,

dr hab. Michał Sobkowski

dyrektor.naukowy@ibch.poznan.pl

Information clause:

Pursuant to the stipulations of the regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), further referred to as GDPR, we hereby inform that:

- *The Institute of Bioorganic Chemistry, Polish Academy of Sciences, seated in Noskowskiego St. 12/14, 61-704 Poznan; REGON 000849327, NIP 777-00-02-062 is the administrator of the collected personal data (further referred to as the Institute).
The Administrator appointed a Data Protection Officer, who can be contacted in writing, via traditional mail, by sending a letter to the following address: Z. Noskowskiego St. 12/14, 61-704 Poznan, or by sending an e-mail to: dpo@ibch.poznan.pl*
- *The personal data of the candidates is processed for the purposes of fulfilling the tasks of the administrator, associated with conducting the recruitment procedure for a vacant position.*
- *The legal basis for processing personal data is the Act of 26 June 1974 – The Labor Code, Act of 30 April 2010 on the Polish Academy of Sciences or the consent of the person whose data shall be subjected to processing.*

- *Your personal data shall be subjected to processing for period of 3 months upon the date of decision of the recruitment committee. Following this period, the data will be irretrievably and effectively destroyed.*
- *The personal data of the candidates shall not be transferred to any third country.*
- *The person whose data shall be subjected to processing has the right to:*
 - *request access to his/her personal data, and to amend it or delete it, pursuant to articles 15-17 of GDPR;*
 - *limit data processing, in the events stipulated in article 18 of GDPR;*
 - *data transferring, pursuant to article 20 of GDPR;*
 - *withdraw consent at any moment, without influencing compliance with the law of the processing that was executed prior to consent withdrawal;*
 - *file a complaint to the Inspector General for Personal Data Protection.*

Providing personal data in the scope stipulated in article 22 (1) of the Act of 26 June 1974 – The Labor Code is mandatory, whereas providing data in a broader scope is voluntary and requires consent for its processing.
