FOR THE POSITION OF AN ASSISTANT PROFESSOR**

INSTITUTION: Institute of Bioorganic Chemistry, PAS
Department of Molecular Genetics
CITY: Poznan
ADDRESS: ul. Noskowskiego 12/14, 61-704 Poznan
POSITION TYPE: assistant professor (post-doc)
AVAILABLE VACANCIES: 1
SCIENTIFIC DISCIPLINE: biology
PUBLICATION DATE: 14.02.2023
APPLICATION DEADLINE: 14.03.2023
WEBSITE: <http://www.ibch.poznan.pl/en.html>

KEY WORDS: computational biology, genetics, cancer genetics, tumor markers, next generation sequencing

I. Expectations toward the candidates

The offer is destined for experienced researchers, holding at least a PhD degree in genetics, to carry out research in the field of genetics, particularly cancer genetics, computational biology and NGS (Next Generation Sequencing) data analysis.

IBCH PAS is one of the leading research entities specialized in chemistry, molecular biology and computational biology in Poland (the number and quality of research papers published and grants awarded). The job will be performed in a young, dynamic group, providing opportunities for successful publishing of research results and gaining scientific independence, including applying for own grants in the future. A position is a great chance for own development and gain further experience in genetics and computational biology, and also access to cutting-edge technologies. Principal Investigator: **Prof. Dr. Piotr Kozlowski**

II. Requirements for the candidates:

1. A PhD degree in molecular biology, computational biology, biotechnology, biochemistry, medicine, or related sciences.
2. Well-documented research output in the form of research papers, published in distinguishable research journals (found in the Web of Science database, including those with first authorship).
3. Experience in molecular genetics of cancer or/and computational biology or/and biostatistics.
4. Strong motivation for work and commitment to tasks implementation.
5. Good command of English, enabling efficient communication and preparation of research papers.

III. Required documents:

1. Letter of application to the Director of IBCH PAS.
2. CV featuring information on the candidate's scientific track record, including the list of papers published in journals listed in the Web of Science (WoS) database, stating the IF in accordance with WoS, number of citations and the H-index.

In addition, depending on the candidate's achievements, the application may contain:

- list of additional papers;
- list of patents;
- information on the previously managed projects or participation in project implementation;
- information on the accomplished research internships;
- information on the awarded prizes and distinctions.

3. Copy of the doctoral diploma.

4. Preferable contact details of potential referees.

IV. Applications should be submitted via the eRecruiter portal at:

<https://system.erecruiter.pl/FormTemplates/RecruitmentForm.aspx?WebID=c839d2179d3f40198afbdc496dee0dbe>

V. The submission deadline is 14.03.2023

VI. Following preliminary verification, on the basis of the application documents, selected candidates will be invited to an interview, as a result of which a candidate recommended for employment shall be appointed. The main criteria, taken into consideration during the selection of the candidates, will be: (i) research output (research papers published), (ii) compliance of the previous experience with the tasks planned within the framework (in the following order: genetics, cancerous diseases, some other experience in molecular biology/biotechnology or computational biology), (iii) experience gained during a long-term, foreign internship).

VII. The recruitment procedure shall be concluded no later than on 20.03.2023.

VIII. Employment shall take place in compliance with the provisions of the Labor Code of Poland.

IX. Employment is available instantly (depending on the result of the recruitment procedure). The estimated gross salary is 5 600 PLN.
